

## INDEX

### 1. General

Screw jacks overview .....	page 2
Manufacturing features .....	page 2
Materials and components .....	page 3
Acme screw jacks summary .....	page 4
Ball screw jacks summary .....	page 5
Models .....	page 6
Versions .....	page 7
Screw jacks selection criteria .....	page 8
Self-locking conditions .....	page 12
Acme screw buckling .....	page 13
Critical rotating speed of acme screw .....	page 16

### 2. MA Series screw jacks

Structural elements .....	page 18
MA Series screw jacks with 1-start acme screw - technical specifications .....	page 20
MA Series screw jacks with 1-start acme screw - performances .....	page 22
MA Series screw jacks with 2-starts acme screw - technical specifications .....	page 24
MA Series screw jacks with 2-starts acme screw - performances .....	page 26
Overall dimensions .....	page 28
Efficiency .....	page 30
Options .....	page 31
MA Series screw jacks - travelling screw (Mod.A) - coding description .....	page 42
MA Series screw jacks - travelling nut (Mod.B) - coding description .....	page 44
MA Series screw jacks - travelling screw (Mod.A) - spare parts .....	page 46
MA Series screw jacks - travelling nut (Mod.B) - spare parts .....	page 47

### 3. SJ Series screw jacks

Structural elements .....	page 48
SJ Series screw jacks with 1-start acme screw - technical specifications .....	page 50
SJ Series screw jacks with 1-start acme screw - performances .....	page 52
SJ Series screw jacks with 1-start acme screw - efficiency .....	page 55
SJ Series screw jacks with 2-starts acme screw - technical specifications .....	page 56
SJ Series screw jacks with 2-starts acme screw - performances .....	page 58
SJ Series screw jacks with 2-starts acme screw - efficiency .....	page 61
Overall dimensions .....	page 62
Options .....	page 66
SJ Series screw jacks - travelling screw (Mod.A) - coding description .....	page 74
SJ Series screw jacks - travelling nut (Mod.B) - coding description .....	page 76
SJ Series screw jacks - travelling screw (Mod.A) - spare parts .....	page 78
SJ Series screw jacks - travelling nut (Mod.B) - spare parts .....	page 79

### 4.

Installation – Maintenance - Lubricants .....	page 80
Product label .....	page 81
Screw jacks - travelling screw (Mod.A) - selection form .....	page 82
Screw jacks - travelling nut (Mod.B) - selection form .....	page 84
Screw jack dimensions check sheet .....	page 86
Screw jack lifting systems, lay-out .....	page 88
